## DOWNTOWN (SUTTON FLATS)

1 If you were a girl in the 19<sup>th</sup> century, what would you be learning at convent school in order to prepare for marriage?

\_\_\_\_\_

2 Look at the old photos of the Sisters of the Presentation of Mary convent on the panel; name three differences between it then and now.

\_\_\_\_\_

3 There is one gravestone at St. André's Cemetery that is carved in a unique shape; what is it?

\_\_\_\_\_

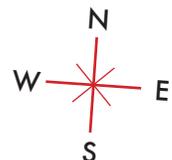

## DRAPER HILL

4 What did Draper Hill copper miners use to see when working in the dark mining shafts?

\_\_\_\_\_

5 Find one plant and one animal illustrated on gravestones at the South Sweet Cemetery.

## NORTH SUTTON

- 6 Which "magic" ingredient was required in the olden days to make soap, dye and glass?

---

## WEST SUTTON

- 7 If you were a mason, you would use which raw material to build a house?

---

- 8 Which mode of transportation completely changed the way of life for people in Sutton?

---

- 9 How many barns can be found at the Olmstead farm today?

---

## DOWNTOWN (SUTTON FLATS)

- 10 If you were a doctor like Dr. McDonald, you would visit your patients in their own homes instead of at an office. How would you get around when making these house calls?

---

- 11 Over a hundred years ago, where would you have to go in Sutton to make a phone call?

---

- 12 How did Eugene Dyer's wife keep looters away from their store's merchandise during the Great Fire of Sutton?

---

- 13 How much money did it cost to build the town hall in 1859?

---

- 14 If the old Boright & Safford general store (now called La Rumeur Affamée) is open, go inside and find the answer to this question: Where do the store's bagels come from?

---

If it's closed: Which new technology was used to light the store in 1898?

---
