

## **PUBLIC NOTICE**

### **CLEANING OF THE AQUEDUCT SYSTEM**

#### **TOWN SECTOR ONLY**

Town of Sutton will proceed with the curative cleaning of the aqueduct system, as well as the inspection of the fire hydrants between **November 7<sup>th</sup> and 17<sup>th</sup>, 2016**. This process can cause the water to look ***temporarily*** cloudy (not clear), or become yellowish. In that case, let the cold water run in your bathtub until the water becomes clear again. We apologize for any inconveniences.

Thank you for your cooperation. If you need any additional information, do not hesitate to contact us.

Public Works Department 450 538-2290.
