

**PRESS RELEASE**  
**FOR IMMEDIATE RELEASE**

**IMPORTANT: NOTICE OF WORK**  
**ROAD CLOSURE OF BOULEVARD JEAN-JACQUES-BERTRAND**  
**(ROUTES 104 AND 139)**

Cowansville, September 26, 2018 – The City of Cowansville wishes to inform the population of the major road work below:

Date : Monday October 1st through Wednesday October 31st, 2018

Municipalité : Cowansville

Where : Boulevard Jean-Jacques-Bertrand (Routes 104 /139)

Obstruction : See detour plan attached

Boulevard Jean-Jacques-Bertrand will be closed to traffic due to the installation of traffic lights at the intersection of Joliette Street and Jean-Jacques-Bertrand Boulevard in Cowansville.

Considering the large number of vehicles traveling on this lane daily, a major detour plan will be in effect as of October 1st, 2018, for an approximate duration of 5 weeks.

- **In the direction of 139 South / 104 East to Lac-Brome:** traffic will be diverted via South Street, Rue Principale and Route 241.
- **In the direction of 139 North towards Granby:** traffic will be diverted via Route 241, Rue Principale and Rue du Sud.

This work will result in an increase in the volume of road traffic (about 11,000 vehicles per day according to data from the Ministry of Transport, Sustainable Mobility and Transportation Electrification). Slow down periods are to be expected, especially during peak times.

Church and Scottsmore Streets will remain accessible to traffic. Boulevard Jean-Jacques-Bertrand will however be closed between Church and South streets.

### **Parking du Sud street**

In order to meet the requirements of the Ministry of Transport, Sustainable Mobility and Transportation Electrification and to ensure the safety of road users, parking will be prohibited on the west side of South Street between the streets of de la Rivière and Léopold.

We ask road users to exercise caution and patience around the site and to respect the signs posted.
