

## **ANNOUNCEMENT**

### **DEPARTURE OF THE DIRECTOR GENERAL FROM THE TOWN OF SUTTON**

**Sutton, October 1<sup>st</sup>, 2020** - The Town of Sutton announces that following an agreement with its Director General, Mr. Pierre Largy, the latter will leave his post on November 13<sup>th</sup>, 2020. This mutual decision will enable Mr. Largy to pursue other projects, following his retirement from municipal life, after more than 30 years of service, including four years at the Town of Sutton.

This decision will also enable the Town to address major medium and long-term challenges including, notably, the development of affordable housing, management of water resources across the territory, economic diversification and the updating of ageing infrastructure and municipal buildings.

Mayor Michel Lafrance wishes to emphasize Mr. Largy's exceptional collaboration in this process and thanks him for sharing his expertise during his mandate. Mr. Largy indicates he will leave feeling that he gave the best of himself and contributed positively to the advancement of several Town files. He also praises and warmly thanks the team of municipal employees who have shown their dedication, loyalty and commitment to him and to the organisation.

The Council will endorse the agreement at its regular meeting of October 5<sup>th</sup>, 2020. A recruitment process will be put in place immediately and should enable the position to be filled by January 2021.
