

**TOWN OF SUTTON
REPLACEMENT OF THE ACADEMY WELL PUMP
REFERENCE TETRA TECH QI INC: 43041TT
CALL FOR TENDERS 007-TP-P-21**

The Town of Sutton requests quotes for the execution of the works described briefly below:

- Replacement of the existing Academy well pump by two new well pumps, including a set of start-up and control equipment for the pumps;
- Supply, installation and putting into operation a generator to supply the well and the equipment of the service building.

The documents required for the submission will be available on the Electronic Tendering System (S.E.A.O) website (www.seao.ca), on April 1st, 2021. Obtaining of the documents is subject to the pricing of this organization.

Any submission must, to be validly considered, be prepared on the form provided on the SEAO website.

The person in charge of tendering for the Town of Sutton is Pascal Smith, Director General (appel.offres@sutton.ca).

The tenders must be physically received at the Town Hall of Sutton, located at 11 Principale St. South, Sutton (Québec) J0E 2K0, telephone: (450) 538-2290, **before 11:00 am, local time, April 22, 2021**. They will be open publicly in the municipal council hall immediately after the deadline.

The Town of Sutton does not accept electronic submissions.

The Town of Sutton reserves the right to accept neither the lowest nor any of the bids received and to remove from the contract certain parts. The Client will also not be liable for any prosecution or claim for costs or losses suffered by the tenderers because of such decisions.

GIVEN At the Town of Sutton, April 1st, 2021

Jonathan Fortin, LL.B.
Town Clerk
