

PUBLIC NOTICE
TOTAL BAN OF WATERING
ON THE ENTIRE TERRITORY OF THE TOWN OF SUTTON

Sutton, June 6, 2023 - Since we are encountering some difficulties with the supply of water for our network, the Town of Sutton is issuing a total ban on watering as June 6, 2023, **throughout the territory**, for all properties serviced by the aqueduct network, and this until further notice.

In accordance with article 21 of *By-Law Number 217*, **it is forbidden to water the lawns**. The use of water is also **forbidden for exterior washing** (cars, exterior walls, windows, etc.), including the **filling of pools**.

The watering of flowers, gardens and shrubs is authorized as long as it's done manually, without a hose. Non-compliance with the ban on watering is an offence and the corresponding fine is from \$100 to \$300 for the first offence.

For the citizens who have installed sod in the last week, we ask that you contact us, so that we can inform you of certain procedures to follow.

The situation will be evaluated on a daily basis by the people responsible for the network and the population will be advised once operating conditions of the network are back to normal.

For more information, please contact the Public Works and Fixed Assets Department at 450-538-2290.

The Town of Sutton thanks the population for its understanding and cooperation considering the inconveniences that this situation may cause.

GIVEN in Sutton, this **6th** day of the month of **June** in the year **2023**.

Jonathan Fortin, LL.B., OMA

Assistant Director General | Clerk and Director of the Legal Affairs

In the absence of Titouan V. Perriollat, Director of Public Works and Fixed Assets
