

PUBLIC NOTICE

PUBLIC NOTICE is hereby given by the undersigned that a public meeting required pursuant to sections 53 and following of An Act respecting land use planning and development, RLRQ, c. A-19.1 (the « Act ») will be held on Thursday, March 14, 2024 at 6:00 p.m. at the Town Hall of the Town of Farnham, in the Council room, for draft ***By-law 10-1123 amending the Land Use Planning and Development Plan 05-0508*** (modification of the boundaries of the regional industrial allocation in Farnham).

The purpose of this draft by-law is to amend the land use and development plan in that the « Urbanization - Regional Industrial » land use designation has been present in the land use plan since 2008, and that it is necessary to modify it in the northern sector of this designation, near the Route 235 traffic circle, so that it better corresponds to the Town's vision. Among other things, the accompanying document indicates that the Town of Farnham will have to amend its urban plan and zoning by-law to modify 1) the boundaries of the major land uses and 2) the addition of a noise corridor in accordance with the provisions of By-law 10-1123, where applicable.

At the public meeting, the Commission will explain the proposed amendment and, where applicable, its effects on municipal plans and by-laws or schemas. It will listen to persons or organizations wishing to express their views.

A copy of the documents referred to in sections 49 and 53.11.4 of the Act and a summary thereof may be consulted at the office of the MRC and, where applicable, at that of each partner organization.

GIVEN at Sutton, Quebec, **March 1st, 2024.**
